### **SB 1266 - HB 1887**

March 27, 2007

**SUMMARY OF BILL:** Requires first-time DUI offenders to serve the difference between the time actually served and the maximum sentence on supervised probation. During the course of such probation, offenders will be required to undergo a drug and alcohol assessment and/or treatment at the judge's discretion.

#### **ESTIMATED FISCAL IMPACT:**

**Increase Local Govt. Revenues – Exceeds \$100,000**  
**Increase Local Govt. Expenditures\* – Exceeds \$100,000**

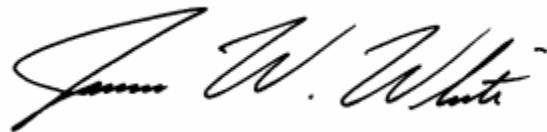

##### Assumptions:

- No additional individuals would be sent to alcohol or drug treatment as a result of the provisions of this bill.
- An increase in local government expenditures exceeding \$100,000 due to the cost of placing first-time DUI offenders on supervised rather than unsupervised probation.
- An increase in local government revenues exceeding \$100,000 due to increased fee collections associated with the more stringent probationary requirements of the bill.

*\*Article II, Section 24 of the Tennessee Constitution provides that: no law of general application shall impose increased expenditure requirements on cities or counties unless the General Assembly shall provide that the state share in the cost.*
